[EXTERNAL EMAIL]

Good morning Andrew,

I'm growing concerned for the lack of forward progress on getting the Brazil note and related documents finalized.

As stated, it remains the expectation of Wendy's that we have everything in place and signed by the end of this week.

I respectfully request you reiterate this is a high priority on your side.

Thanks,
Kris

Kirk and Kerry,

Please meet Jon Polenberg (copied here) who is one of our attorney's trying to help us unravel the massive complexity associated with the unwinding of Brazil. As I am sure you can appreciate there are multiple legal, tax and accounting issues that we are trying to work through diligently in order to give you an intelligent and responsible reply to your proposed new promissory note and structure. We should have some solid feedback next week. Thanks for your patience.

Kris,

I should have comments to Auspex today for the JCP. I think we are pretty close. In regards to the Brazil note, as you can imagine it is a very complex issue and our attorneys are trying to process everything to give intelligent feedback. Who at Wendy's should I put them in touch with? Would it be Kirk?

Hi Andrew,

Hope you're continuing to feel better each day.

As follow-up to our most recent discussion, I've attached clean and redlined versions of the promissory note, the revised amortization schedule and a suggested revised JCP that we would use as exhibit D. Please note the suggested JCP assumes that you sell Richmond and complete 100% of the remaining restaurants by 12.31.24. Please review and let's plan to discuss next week. We want to get this note fully executed by end of this January.

Look forward to speaking next week.

Thanks,
Kris

Offer to Compromise

Subject to CPLR 4547/Rule 408 (or equivalent)

Dear Brian and Andrew:

Further to our recent discussions, I include with this email Wendy's "settlement package," which represents our best offer to resolve the outstanding issues related to the Levy/Starboard Guarantee. I've also added a red-line to the prior version of the note that was sent in January. We believe this package is fair to both sides and fully takes into account and responds as best we are able to the concerns you have raised. As we feel we have exhausted discussion on these issues, and because this is Wendy's best offer, this does represent our final offer. For that reason, unless the offer is accepted and all documents are fully executed at Wendy's offices in Dublin, Ohio by the end of business on Wednesday, February 19, this offer will automatically expire and we will consider our discussions to be terminated.

We sincerely hope that the issues related to the Guarantee can be resolved without escalation and/or litigation. Wendy's reserves all rights and remedies.

Sincerely,

Re: Franchise Agreements for Wendy's Hamburgers Restaurants identified on Exhibit A (the "Restaurants")

**NOTICE OF NONCOMPLIANCE WITH REIMAGING REQUIREMENTS AND
AGREEMENT OF FOREBEARANCE OF DEFAULT**

Dear Franchisees:

Reference is made to those certain Unit Franchise Agreements, as set forth on Exhibit A (the "**Franchise Agreements**") by and between the entities listed above (collectively, "**Franchisees**") and Quality Is Our Recipe, LLC, as successor-in-interest to Wendy's International, LLC ("**Wendy's**").

As you know, Wendy's has Brand Sustainability requirements, which are supported by the Franchise Agreements' requirement that you refurbish your Restaurants at your expense once every five years to conform to the building design, trade dress, color schemes, and presentation of Proprietary Marks in a manner consistent with the then-current image in effect for new restaurants under the System. The Image Activation initiative, supported by Wendy's Brand Sustainability requirements, has been in place since 2014 and requires that you have remodeled 50% of your

Restaurants by December 31, 2019 and 10% additional Restaurants by December 31, 2020. Notwithstanding these requirements, according to the Letter of Agreement dated December 3, 2018 between Franchisor and Franchisees, you agreed to a Reinvestment Plan whereby certain the timely completion of all required work to perform reimagining would be performed according to the Reinvestment Completion Dates agreed to therein. You were required to make “all reasonable efforts to schedule and complete the reimage of 40% of your Restaurants by the end of calendar year 2020. . . and at the rate of 10% of your existing portfolio per year” in addition to other requirements. As of December 31, 2019, you have only remodeled 19 of your Restaurants, and only have another 6 Restaurants scheduled for reimagining in 2020, resulting in a breach of the Franchise Agreements.

Notwithstanding the foregoing, Wendy’s is willing to temporarily forbear default to provide you with an opportunity to complete the reimagining requirement. By **September 27, 2020** you must submit a plan for reimagining 40% of your Restaurants with a completion date of no later than December 31, 2020. You may choose to utilize Wendy’s Franchise Development Program (“FDP”) to contract with Wendy’s as an independent contractor to perform project management services for one or more of your reimage projects, with a fee that varies depending on your project type. If you elect to participate in our FDP Program, you must also execute the appropriate documents and pay all applicable fees **by September 27, 2020**.

Additionally, on or before **September 27, 2020**, you must have executed an amended and restated reinvestment plan to address the reimage schedule for the rest of the Restaurants in your portfolio. Please work with Kris Kaffenbarger to ensure this deadline is met.

Failure to adhere to each of the above deadlines, including the failure to diligently pursue completion of the reimagining work and providing Wendy’s with evidence of your progress, will result in Wendy’s enforcement of default in addition to all other remedies Wendy’s may exercise under the Franchise Agreements.

This notice and any other notice that may be sent to you are sent without prejudice to any other notice or action that is or is not yet pending, and Wendy’s hereby reserves all of its rights in this regard.

Your signature to the below signifies your acknowledgement and understanding of these terms and conditions in this Letter Agreement. You may execute two copies and keep one for your own record-keeping purposes, please return one original to my attention.

The principal amount hereunder represents the amount agreed upon between Maker and Payee to be payable by Maker to discharge the obligations under the Guarantee with respect to the Credit Agreements. Such amount or any payment hereunder shall not in any way reduce or constitute a forgiveness of any amount owed by Borrower to Payee under the Credit Agreements.

COGNOVIT PROMISSORY NOTE

FRANKLIN COUNTY, OHIO

\$5,550,360.55

February __, 2020

FOR VALUE RECEIVED, the undersigned, Andrew Levy (the “**Maker**”), whose principal address is 1401 West Two Creeks Circle, Park City Utah, 84098, promises to pay to the order of WENDY’S NETHERLANDS B.V., a company organized and existing under the laws of the Netherlands (the “**Payee**”), at its registered address Prins Bernhardplein 200, 1097 JB Amsterdam, the Netherlands, or at such other place as the Payee may from time to time designate in writing, the principal sum of Five Million Five Hundred and Fifty Thousand Three Hundred and Sixty and 55/100 Dollars (\$5,550,360.55), subject to reduction as described in the immediately following paragraph, plus interest at the rate of four and one-half percent (4.5%) per annum.

Commencing on January 15, 2020, and continuing until maturity, by acceleration or otherwise, Maker shall pay to Payee quarterly installments of principal and interest on the dates and in the combined amounts as set forth and in accordance with the Amortization Schedule attached hereto as *Exhibit A* and incorporated herein. Accrued interest on this Note shall be added monthly to the principal balance of this Note on the fifteenth day of each such month and shall thereafter accrue interest as provided herein. The entire amount due hereunder, including all unpaid principal and accrued interest, shall be due and payable in full on December 15, 2024 (it being understood that if the principal payments set forth on *Exhibit A* due prior to December 15, 2024 are made in accordance with the terms of this Note then the principal balance due on December 15, 2024 would be Three Million Six Hundred and Sixty Thousand Six Hundred and Thirty Four and Five Cents (\$3,660,634.05). This amount includes a reduction in the amount of One Million Two Hundred Thousand Dollars (\$1,200,000.00) provided in Payment No. 1, which is offered as a condition of compliance with the terms and conditions contained herein, including timely payment of all principal and interest due hereunder in accordance with the immediately two preceding sentences and no other default or event of default has occurred (whether or not cured or waived). Should Maker fail to meet these conditions, then the full value of the Note shall be reinstated in the amount of Five Million Five Hundred and Fifty Thousand Three Hundred and Sixty and 55/100 Dollars (\$5,550,360.55), less any amounts paid in satisfaction hereof.

All principal and interest shall be payable in arrears. Interest hereon shall be calculated on the basis of a 360-day year applied to the actual number of days elapsed. All payments of principal and interest hereon shall be payable at par in lawful currency of the United States. Except as otherwise described herein, all amounts received for payment of this Note shall be first applied to any expenses due Payee under this Note and then to accrued interest, and finally to the reduction of principal. Payee shall designate in writing from time to time to Maker an account of Payee into which such amounts are to be paid.

The principal amount of this Cognovit Promissory Note represents an aggregate of amounts of existing indebtedness that the Maker freely admits are due and owing to Payee, and/or its subsidiaries, affiliates and related entities pursuant to and in satisfaction of the Maker’s obligations under that certain Guarantee Agreement, dated as of October 20, 2015, among

Starboard International Holdings B.V., as Guarantor (“**Starboard**”), Maker, as Guarantor, and Wendy’s Netherlands B.V., as Beneficiary, as amended by the first amendment thereto dated August 2, 2017 and the second amendment thereto dated January 19, 2018 (such Guarantee Agreement, as so amended being the “**Guarantee**”) attached hereto as *Exhibit B* and made a part hereof pursuant to which Maker guaranteed the obligations of WBR Franquais Participacoes LTDA, as borrower (“**Borrower**”) under (x) the Credit Agreement, dated as of October 20, 2015 (“**2015 Credit Agreement**”), among Payee and Borrower and (y) the Credit Agreement, dated as of August 2, 2017 (together with the 2015 Credit Agreement being the “**Credit Agreements**”), among Payee and Borrower. The principal amount hereunder represents the amount agreed upon between Maker and Payee to be payable by Maker to discharge the obligations under the Guarantee with respect to the Credit Agreements. Such amount or any payment hereunder shall not in any way reduce or constitute a forgiveness of any amount owed by Borrower to Payee under the Credit Agreements.

In the event that any payment of principal and/or interest is not actually received by the Payee on or prior to the respective due date as set forth in the Amortization Schedules attached as *Exhibit A* hereto, the Maker agrees to pay Payee a late charge equal to the greater of twelve percent (12%) per annum on such delinquent amount until paid, or such amount as is permitted by law.

Payments due hereunder shall be paid by pre-authorized wire transfer, electronic transfer via automated clearing houses, similar commonly-accepted methods of funds transfer or such other method as Payee may designate in writing from time to time. Maker shall undertake all actions necessary and shall deliver to Payee all necessary information (including financial institution of origin and relevant account numbers) pertaining to such pre-authorized transfers.

Prepayment of the principal of this Note shall be permitted without premium or penalty of any kind, provided, however, that if Payee, in Payee’s sole discretion, elects to assign, sell or transfer this Note to another person (each an Assignee), then in the event of an early payoff, Maker shall be required to pay to an Assignee of Payee a prepayment premium equal to 3% of the Note payoff amount during the first Loan Year (as defined herein) of the Note, 2% of the Note payoff amount during the second Loan Year of the Note, and 1% of the Note payoff amount during the third Loan Year of the Note, and 0% of the Note payoff amount after the end of the third Loan Year, and in no event is Maker permitted to pay any lump sum payments, without paying the Note in full, plus the prepayment premium during the first three (3) Loan Years of the Note.

The first Loan Year shall mean the period of time commencing on the date of this Note and ending on the last day of the twelfth consecutive month commencing with the month after the month in which this Note is dated, unless this Note is dated the first day of a month, in which case the first Loan Year shall mean the twelve consecutive months commencing with the date of this Note. Each subsequent Loan Year shall mean the successive twelve consecutive month period following the preceding Loan Year.

This Note may not be changed orally, but only by an agreement in writing signed by the parties against whom enforcement of any waiver, change, modification or discharge is sought.

This Note may be assigned, sold or transferred by Payee at Payee's sole discretion. If so assigned, the Assignee hereof shall have and be entitled to exercise any and all discretion, rights and powers of Payee, but Assignee shall not be chargeable with any obligations or liabilities of Payee hereunder or with respect thereof. Maker hereby agrees that Payee may, in its sole discretion, disclose pertinent financial information relative to Maker to any Assignee in order to facilitate the assignment, sale or transfer of this Note. Maker agrees that it will not assert against Assignee any claim, defense, counterclaim or offset on account of this Note in any action brought by an Assignee.

In the event of any loss, theft, destruction or mutilation of this Note, upon Maker's receipt of an affidavit of an officer of Payee as to such loss, theft, destruction or mutilation and an appropriate indemnification, Maker will execute and deliver a replacement Note in the same principal amount and otherwise of like tenor as the lost, stolen, destroyed or mutilated Note.

The holders of this Note and all successors thereof shall have all of the rights of a holder in due course as provided under the Ohio Uniform Commercial Code and other laws of the State of Ohio. Maker hereby waives demand, presentment, protest, notice of protest and/or dishonor and all other notices or requirements that might otherwise be required by law. The Maker promises to pay on demand all costs of collection, including attorney's fees and court costs, paid or incurred by Payee in enforcing this Note upon Maker's default hereunder.

The occurrence of any of the following shall constitute an "event of default" under this Note:

- (a) The failure of Maker to make any payment when due under this Note (time is of the essence of this Note) or to observe or perform any other term, agreement or covenant in this Note;
- (b) The failure of Maker within 10 business days' of execution of this Note, to provide sufficient evidence of his personal financial condition, in a form acceptable to Payee at Payee's sole discretion, to include without limitation a personal financial statement detailing Maker's current assets (including cash holdings) and liabilities and net worth;
- (c) The institution of proceedings by or against Maker under any state insolvency laws, federal bankruptcy law or similar debtor relief laws then in effect;
- (d) Maker becoming insolvent or generally failing to pay its debts as they become due;
- (e) The entry of a judgment against Maker which remains unsatisfied for more than thirty (30) days;
- (f) The existence of a material misrepresentation of Maker's financial condition in any oral or written statement made to Payee;
- (g) Default by the franchisee and/or termination or transfer (whether or not voluntarily or mutually agreed) of all of the Wendy's franchise

agreements in the U.S. and/or the ceasing of operation of all Wendy's restaurants that are franchised to Maker and/or any entities of which Maker is a shareholder or holds other voting or member interests;

(h) The death of Maker.

Upon the occurrence of an event of default, as defined above, Payee may, at its option and without notice, declare all principal and interest provided for under this Note to be immediately due and payable. Payee may waive any default before or after it occurs and may restore this Note in full effect without impairing the right to declare it due for a subsequent default, this right being a continuing one. Upon the occurrence of any of (a) through (h) above, Payee, in its sole discretion, may elect to issue a Notice of Default, without the necessity of first accelerating the principal or interest balance hereunder.

Maker hereby authorizes any attorney at law to appear for the Maker in any court of record in Franklin County, Ohio, with or without process, at any time after this Note becomes payable, by acceleration or otherwise, and waives the issuance and service of process and confesses judgment against Maker in favor of the holder of this Note for the amount then appearing due, together with interest, costs of suit and attorney's fees and thereupon to release all errors and waive all rights of second trial, appeal, and stay of execution.

In consideration for Payee's willingness to accept this Note from Maker and its forbearance relative to actions which it might otherwise take as of the date of this Note with regard to the obligations referenced herein, Maker hereby agrees to execute and shall cause Starboard to execute contemporaneously herewith, the Mutual Release of Claims Related to Guarantee in the form identical to that attached hereto and made a part hereof as *Exhibit C*. Maker represents and warrants that he, directly or indirectly, owns beneficially 100% of the equity interests of Starboard, has the control over the business direction of Starboard and has the power and authority to cause Starboard to enter into such Mutual Release.

Maker acknowledges and agrees that Payee's willingness to provide this Note and the provisions of this Note are strictly confidential in nature and are subject to the confidentiality provisions of the Franchise Agreements.

This Note may be freely transferred by Payee.

If any provision of this Note should for any reason be invalid or unenforceable, the remaining provisions hereof shall remain in full effect.

This Note shall be governed and construed in accordance with the laws of the State of Ohio and shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.

This Note was executed in Franklin County, Ohio.

SECURED PROMISSORY NOTE

FRANKLIN COUNTY, OHIO

\$5,550,360.55

December __, 2019

FOR VALUE RECEIVED, the undersigned, Andrew Levy (the “**Maker**”), whose principal address is 1401 West Two Creeks Circle, Park City Utah, 84098, promises to pay to the order of WENDY’S NETHERLANDS B.V., a company organized and existing under the laws of the Netherlands (the “**Payee**”), at its registered address Prins Bernhardplein 200, 1097 JB Amsterdam, the Netherlands, or at such other place as the Payee may from time to time designate in writing, the principal sum of Five Million Five Hundred and Fifty Thousand Three Hundred and Sixty and 55/100 Dollars (\$5,550,360.55), subject to reduction as described in the immediately following paragraph, plus interest at the annual rate of five percent (5%) per annum.

Commencing on January 15, 2020, and continuing until maturity, by acceleration or otherwise, Maker shall pay to Payee quarterly installments of principal and interest on the dates and in the combined amounts as set forth and in accordance with the Amortization Schedule attached hereto as *Exhibit A* and incorporated herein. Accrued interest on this Note shall be added monthly to the principal balance of this Note on the fifteenth day of each such month and shall thereafter accrue interest as provided herein. The entire amount due hereunder, including all unpaid principal and accrued interest, shall be due and payable in full on December 15, 2024 (it being understood that if the principal payments set forth on *Exhibit A* due prior to December 15, 2024 are made in accordance with the terms of this Note then the principal balance due on December 15, 2024 would be Four Million Two Hundred and Ninety-Five Thousand Three Hundred and Ninety-Six Dollars and Fifty-Five Cents (\$4,295,396.55). Notwithstanding the foregoing, if Maker has made all payments of principal and interest due hereunder in accordance with the immediately two preceding sentences and no other default or event of default has occurred (whether or not cured or waived) (“**Discount Conditions**”) then the amount of principal due shall be reduced by the amount of One Million Two Hundred Thousand Dollars (\$1,200,000.00) (by way of example only, if the remaining balance of this Note is \$4,295,396.55 on December 15, 2024 and this discount is to be applied as provided for in this sentence then a combined balance of \$3,095,396.55 would be due on December 15, 2024).

All principal and interest shall be payable in arrears. Interest hereon shall be calculated on the basis of a 360-day year applied to the actual number of days elapsed. All payments of principal and interest hereon shall be payable at par in lawful currency of the United States. Except as otherwise described herein, all amounts received for payment of this Note shall be first applied to any expenses due Payee under this Note or the Mortgage (as hereinafter defined) then to accrued interest, and finally to the reduction of principal. Payee shall designate in writing from time to time to Maker an account of Payee into which such amounts are to be paid.

The principal amount of this Secured Promissory Note represents an aggregate of amounts of existing indebtedness that the Maker freely admits are due and owing to Payee, and/or its subsidiaries, affiliates and related entities pursuant to and in satisfaction of the Maker’s obligations under that certain Guarantee Agreement, dated as of October 20, 2015, among Starboard International Holdings B.V., as Guarantor (“**Starboard**”), Maker, as Guarantor, and

Wendy's Netherlands B.V., as Beneficiary, as amended by the first amendment thereto dated August 2, 2017 and the second amendment thereto dated January 19, 2018 (such Guarantee Agreement, as so amended being the "**Guarantee**") attached hereto as Exhibit B and made a part hereof pursuant to which Maker guaranteed the obligations of WBR Franquais Participacoes LTDA, as borrower ("**Borrower**") under (x) the Credit Agreement, dated as of October 20, 2015 ("**2015 Credit Agreement**"), among Payee and Borrower and (y) the Credit Agreement, dated as of August 2, 2017 (together with the 2015 Credit Agreement being the "**Credit Agreements**")), among Payee and Borrower. The principal amount hereunder represents the amount agreed upon between Maker and Payee to be payable by Maker to discharge the obligations under the Guarantee with respect to the Credit Agreements. Such amount or any payment hereunder shall not in any way reduce or constitute a forgiveness of any amount owed by Borrower to Payee under the Credit Agreements.

In the event that any payment of principal and/or interest is not actually received by the Payee on or prior to the respective due date as set forth in the Amortization Schedules attached as *Exhibit A* hereto, the Maker agrees to pay Payee a late charge equal to the greater of twelve percent (12%) per annum on such delinquent amount until paid, or such amount as is permitted by law.

Payments due hereunder shall be paid by pre-authorized wire transfer, electronic transfer via automated clearing houses, similar commonly-accepted methods of funds transfer or such other method as Payee may designate in writing from time to time. Maker shall undertake all actions necessary and shall deliver to Payee all necessary information (including financial institution of origin and relevant account numbers) pertaining to such pre-authorized transfers.

Prepayment of the principal of this Note shall be permitted without premium or penalty of any kind, provided, however, that if Payee, in Payee's sole discretion, elects to assign, sell or transfer this Note to another person (each an Assignee), then in the event of an early payoff, Maker shall be required to pay to an Assignee of Payee a prepayment premium equal to 3% of the Note payoff amount during the first Loan Year (as defined herein) of the Note, 2% of the Note payoff amount during the second Loan Year of the Note, and 1% of the Note payoff amount during the third Loan Year of the Note, and 0% of the Note payoff amount after the end of the third Loan Year, and in no event is Maker permitted to pay any lump sum payments, without paying the Note in full, plus the prepayment premium during the first three (3) Loan Years of the Note.

The first Loan Year shall mean the period of time commencing on the date of this Note and ending on the last day of the twelfth consecutive month commencing with the month after the month in which this Note is dated, unless this Note is dated the first day of a month, in which case the first Loan Year shall mean the twelve consecutive months commencing with the date of this Note. Each subsequent Loan Year shall mean the successive twelve consecutive month period following the preceding Loan Year.

Maker covenants and agrees to use his best efforts to cause this Note to be secured by a Deed of Trust (such Deed of Trust to have such terms and conditions and be in form, scope and substance as is satisfactory to Payee) on or before December 31, 2019 on Maker's personal residence located at 1401 West Two Creeks Circle Park City, UT 84098 (the "**Mortgage**").

This Note may not be changed orally, but only by an agreement in writing signed by the parties against whom enforcement of any waiver, change, modification or discharge is sought.

This Note may be assigned, sold or transferred by Payee at Payee's sole discretion. If so assigned, the Assignee hereof shall have and be entitled to exercise any and all discretion, rights and powers of Payee, but Assignee shall not be chargeable with any obligations or liabilities of Payee hereunder or with respect thereof. Maker hereby agrees that Payee may, in its sole discretion, disclose pertinent financial information relative to Maker to any Assignee in order to facilitate the assignment, sale or transfer of this Note. Maker agrees that it will not assert against Assignee any claim, defense, counterclaim or offset on account of this Note in any action brought by an Assignee.

In the event of any loss, theft, destruction or mutilation of this Note, upon Maker's receipt of an affidavit of an officer of Payee as to such loss, theft, destruction or mutilation and an appropriate indemnification, Maker will execute and deliver a replacement Note in the same principal amount and otherwise of like tenor as the lost, stolen, destroyed or mutilated Note.

The holders of this Note and all successors thereof shall have all of the rights of a holder in due course as provided under the Ohio Uniform Commercial Code and other laws of the State of Ohio. Maker hereby waives demand, presentment, protest, notice of protest and/or dishonor and all other notices or requirements that might otherwise be required by law. The Maker promises to pay on demand all costs of collection, including attorney's fees and court costs, paid or incurred by Payee in enforcing this Note upon Maker's default hereunder.

The occurrence of any of the following shall constitute an "event of default" under this Note:

- (a) The failure of Maker to make any payment when due under this Note (time is of the essence of this Note) or to observe or perform any other term, agreement or covenant in this Note;
- (b) The institution of proceedings by or against Maker under any state insolvency laws, federal bankruptcy law or similar debtor relief laws then in effect;
- (c) Maker becoming insolvent or generally failing to pay its debts as they become due;
- (d) The entry of a judgment against Maker which remains unsatisfied for more than thirty (30) days;
- (e) The existence of a material misrepresentation of Maker's financial condition in any oral or written statement made to Payee;
- (f) Default by Maker to comply with its obligations under the fifth immediately preceding paragraph with respect to the Mortgage or to comply with his obligations under such Mortgage;

- (g) Default by the franchisee and/or termination or transfer (whether or not voluntarily or mutually agreed) of all of the Wendy's franchise agreements in the U.S. and/or the ceasing of operation of all Wendy's restaurants that are franchised to Maker and/or any entities of which Maker is a shareholder or holds other voting or member interests; and
- (h) The death of Maker.

Upon the occurrence of an event of default, as defined above, Payee may, at its option and without notice, declare all principal and interest provided for under this Note to be immediately due and payable. Payee may waive any default before or after it occurs and may restore this Note in full effect without impairing the right to declare it due for a subsequent default, this right being a continuing one. Upon the occurrence of any of (a) through (h) above, Payee, in its sole discretion, may elect to issue a Notice of Default, without the necessity of first accelerating the principal or interest balance hereunder.

Maker hereby authorizes any attorney at law to appear for the Maker in any court of record in Franklin County, Ohio, with or without process, at any time after this Note becomes payable, by acceleration or otherwise, and waives the issuance and service of process and confesses judgment against Maker in favor of the holder of this Note for the amount then appearing due, together with interest, costs of suit and attorney's fees and thereupon to release all errors and waive all rights of second trial, appeal, and stay of execution.

In consideration for Payee's willingness to accept this Note from Maker and its forbearance relative to actions which it might otherwise take as of the date of this Note with regard to the obligations referenced herein, Maker hereby agrees to execute and shall cause Starboard to execute contemporaneously herewith, a General Release of All Claims in the form identical to that attached hereto and made a part hereof as *Exhibit C*. Maker represents and warrants that he, directly or indirectly, owns beneficially 100% of the equity interests of Starboard, has the control over the business direction of Starboard and has the power and authority to cause Starboard to enter into such General Release of Claims.

Maker acknowledges and agrees that Payee's willingness to provide this Note and the provisions of this Note are strictly confidential in nature and are subject to the confidentiality provisions of the Franchise Agreements.

This Note may be freely transferred by Payee.

If any provision of this Note should for any reason be invalid or unenforceable, the remaining provisions hereof shall remain in full effect.

This Note shall be governed and construed in accordance with the laws of the State of Ohio and shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.

This Note was executed in Franklin County, Ohio.

ARTICLE II

SECTION 2.1. Guarantee.

Execution Version

(a) Each Guarantor hereby, jointly and severally, unconditionally and irrevocably, guarantees to the Beneficiary the prompt and complete payment and performance by the Borrower when due (whether at the stated maturity, or earlier by acceleration or otherwise) of the Guaranteed Obligations. The Guarantee granted by the Guarantors pursuant to this Agreement has the purpose of guaranteeing the full and prompt payment and performance when due (whether at the due dates set forth in the Credit Agreement, or earlier, in case of acceleration or for any other reason as set forth in the Credit Agreement) of the Obligations. For the avoidance of doubt, if the equity interest that the Guarantors own or control directly or indirectly (including through subsidiaries, sister companies or other Affiliates) in the Borrower increases or decreases for any reason or in any manner, the percentage of the obligations of the Borrower under the Credit Agreement that comprises the Guaranteed Obligations shall increase or decrease to reflect the equity interest that the Guarantors own or control directly or indirectly in the Borrower.

(b) Anything herein or in any other Loan Document to the contrary notwithstanding, the maximum liability of each Guarantor hereunder and under the other Loan Documents shall in no event exceed the amount which can be guaranteed by such Guarantor under applicable federal and state laws relating to the insolvency of debtors (after giving effect to the right of contribution established in Section 2.2 and according to the percentage of Quotas held by Starboard in the capital of the Borrower).

(c) Each Guarantor agrees that the Obligations may at any time and from time to time exceed the amount of the liability of such Guarantor hereunder without impairing or increasing the value of (as long as the value of the Obligations themselves does not increase) the Guarantee or affecting the rights and remedies of the Beneficiary hereunder.

(d) The Guarantee shall remain in full force and effect until all the Guaranteed Obligations have been satisfied by indefeasible payment in full in cash (other than contingent indemnification and contingent expense obligations that survive the termination of the Loan Documents), notwithstanding that from time to time during the term of the Credit Agreement the Borrower may be free from any Obligations.

(e) No payment, made by the Borrower, any Guarantor, any other guarantor or any other Person, or received or collected by the Beneficiary from the Borrower, any Guarantor, any other guarantor or any other Person, by virtue of any action or proceeding or any set-off or appropriation or application at any time or from time to time in reduction of, or in payment of, the Obligations shall be deemed to modify, reduce, release or otherwise affect the liability of any Guarantor hereunder for any portion of the Obligations which have not been paid which shall, notwithstanding any such payment (other than any payment made by any Guarantor in respect of the Obligations or any payment received or collected from any Guarantor in respect of the Obligations), remain liable for the portion of the Obligations which have not been paid up to the maximum liability of a Guarantor hereunder until the Obligations (other than contingent indemnification and contingent expense obligations that survive the termination of the Loan Documents), are paid in full.

Notwithstanding anything herein to the contrary, the Beneficiary agrees that prior to enforcing the Guarantee against any Guarantor, (i) Borrower will be allowed up to ninety (90)

Execution Version

days to sell its assets in accordance with the Limitada Agreement in order to satisfy Obligations, and then (ii) the Beneficiary will exercise its rights under the Pledge Agreement.

SECTION 2.2. No Subrogation. Notwithstanding any payment made by any Guarantor hereunder or any set-off or application of funds of any Guarantor by the Beneficiary, each Guarantor shall not be entitled to be subrogated to any of the rights of the Beneficiary against the Borrower or any other guarantor or any collateral security or guarantee or right of offset held by the Beneficiary for the payment of the Obligations, nor shall any Guarantor seek or be entitled to seek any contribution or reimbursement from the Borrower or any other guarantor in respect of payments made by any Guarantor hereunder, until all amounts owing to the Beneficiary (other than contingent indemnification and contingent expense obligations that survive the termination of the Loan Documents) are paid in full. If any amount shall be paid to any Guarantor on account of such subrogation rights at any time when all of the Obligations (other than contingent indemnification and contingent expense obligations that survive the termination of the Loan Documents) shall not have been paid in full, such amount shall be held by such Guarantor in trust for the Beneficiary, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to the Beneficiary in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Beneficiary, if required), to be applied against the Obligations, whether matured or unmatured, in such order as the Beneficiary may reasonably determine.

SECTION 2.3. Amendments, etc. with respect to the Obligations. Each Guarantor shall remain obligated hereunder notwithstanding that, without any reservation of rights against such Guarantor and without notice to or further assent by such Guarantor, any demand for payment of any of the Obligations made by the Beneficiary may be rescinded by the Beneficiary and any of the Obligations continued, and the Obligations, or the liability of any other Person upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, amended, modified, accelerated, compromised, waived, surrendered or released by the Parties, and the Credit Agreement and the other Loan Documents and any other documents executed and delivered in connection therewith may be amended, modified, supplemented or terminated, in whole or in part by the Parties and any collateral security, guarantee or right of offset at any time held by the Beneficiary for the payment of the Obligations may be sold, exchanged, waived, surrendered or released. The Beneficiary shall not have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for the Obligations or for the Guarantee or any property subject thereto. The failure of the Beneficiary to enforce the Guaranty against any one or all the Guarantors or against any other guaranty or security pertaining to the Credit Agreement shall not result, under any circumstance, in the loss of any right or remedy of Beneficiary provided under this Agreement. Provided that the last paragraph of Section 2.1 above is observed, the Beneficiary shall be entitled to enforce (or not enforce) any of such guarantees in any sequence or order and without any kind of limitation or restriction in choosing among the Guarantors and any other guarantors

SECTION 2.4. Guarantee Absolute and Unconditional. Each Guarantor waives any and all notice of the creation, renewal, extension or accrual of any of the Obligations and notice of or proof of reliance by the Beneficiary upon the Guarantee or acceptance of the Guarantee; the Obligations, and any of them, shall conclusively be deemed to have been created, contracted or

Execution Version

incurred, or renewed, extended, amended or waived, in reliance upon the Guarantee; and all dealings between the Borrower and any Guarantor, on the one hand, and the Beneficiary, on the other hand, likewise shall be conclusively presumed to have been had or consummated in reliance upon the Guarantee. Each Guarantor waives diligence, presentment, protest, demand for payment and notice of default or nonpayment to or upon the Borrower or such Guarantor with respect to the Obligations (it being understood that such waiver does not affect any notice required to be given before an Event of Default (or similar event) can occur, as provided in the Credit Agreement or Quota Pledge Agreement). Each Guarantor understands and agrees that the Guarantee shall be construed as a continuing, absolute and unconditional guarantee of payment without regard to (a) the validity or enforceability of the Credit Agreement or any other Loan Document, any of the Obligations or any other collateral security therefor or guarantee or right of offset with respect thereto at any time or from time to time held by the Beneficiary, (b) any defense, set-off or counterclaim (other than a defense of payment or performance) which may at any time be available to or be asserted by the Borrower or any other Person against the Beneficiary, or (c) any other circumstance whatsoever (with or without notice to or knowledge of the Borrower or such Guarantor) which constitutes, or might be construed to constitute, an equitable or legal discharge of the Borrower for the Obligations, or of such Guarantor under the Guarantee, in bankruptcy or in any other instance. When making any demand hereunder or otherwise pursuing its rights and remedies hereunder against any Guarantor, the Beneficiary may, but shall be under no obligation to, make a similar demand on or otherwise pursue such rights and remedies as it may have against the Borrower, any other guarantor or any other Person or against any collateral security or guarantee for the Obligations or any right of offset with respect thereto, and any failure by the Beneficiary to make any such demand, to pursue such other rights or remedies or to collect any payments from the Borrower, any other guarantor or any other Person or to realize upon any such collateral security or guarantee or to exercise any such right of offset, or any release of the Borrower, any other guarantor or any other Person or any such collateral security, guarantee or right of offset, shall not relieve any Guarantor of any obligation or liability hereunder, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of Beneficiary against any Guarantor. For the purposes hereof "demand" shall include the commencement and continuance of any legal proceedings.

SECTION 2.5. Reinstatement. The Guarantee shall continue to be effective, or be reinstated, as the case may be, if at any time payment, or any part thereof, of any of the Obligations is rescinded or must otherwise be restored or returned by the Beneficiary or any Beneficiary upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower, any Guarantor or any other guarantor, or upon or as a result of the appointment of a receiver, intervener or conservator of, or trustee or similar officer for, the Borrower, any Guarantor or any other guarantor or any substantial part of its property, all as though such payments had not been made.

SECTION 2.6. Payments. The Guarantors hereby guarantee that payments hereunder will be paid to the Beneficiary without set-off or counterclaim in Dollars at the office of the Beneficiary.

SECTION 3.2. No Conflicts. The execution, delivery, performance of and compliance with the terms of this Agreement by each Guarantor, and the consummation of the transactions contemplated hereby or by this Agreement and the Loan Documents, does not and will not (i) contravene the organizational documents of Starboard or, in any material respect, any requirements of law applicable to or binding upon any Guarantor or any of its or his properties, (ii) contravene or result in any breach of or constitute a default under, or result in or require the creation of any lien upon any of its or his property under, any agreement or instrument to which it or he is a party or by which it or he or any of its or his properties may be bound or affected in any material respect, (iii) violate or result in a default under any indenture, credit agreement, loan, lease or other agreement or instrument binding upon any Guarantor or its or his properties in any material respect or (iv) require any authorization, approval, consent or order of, or registration or filing with or notice to any person or to any court or other governmental body having jurisdiction over any Guarantor;

SECTION 3.3. Valid, Binding and Enforceable. This Agreement constitutes the legal, valid and binding agreement and obligation of each Guarantor enforceable against each Guarantor in accordance with its terms, except as the enforceability of this Agreement may be limited by the effect of any applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' rights generally and by general principles of equity; and

SECTION 3.4. No Action or Proceeding. There are no actions, proceedings, claims, suits, investigations, inquiries or similar actions pending or threatened before any court or governmental authority or arbitral tribunal which might: (i) affect the ability of the Guarantors to perform their respective obligations under this Agreement; (ii) restrain or jeopardize, or have the effect of restraining or jeopardizing the performance or observance of the terms and conditions of this Agreement; or (iii) in any other manner question the validity, binding effect or enforceability of this Agreement.

ARTICLE IV
COVENANTS

Each Guarantor covenants and agrees that, until the Obligations have been paid in full, it will perform, comply with and be bound by each of the obligations set forth below.

SECTION 4.1. As to Securities Collateral.

Execution Version

(b) Continuous Pledge. With respect to all direct or indirect interest in the Borrower, the Guarantors will, and cause their Affiliates (subject to the terms of the Credit Agreement) to, maintain, in favor of the Beneficiary the Securities Collateral and at all times keep pledged in favor of the Beneficiary pursuant to the Pledge Agreement, on a first priority, perfected basis all Securities Collateral.

SECTION 4.2. Limitation on Dispositions and Maintenance of Net Worth. The Guarantors shall not take and shall refrain from taking any action that may affect the Guaranty, the Guaranteed Obligations or enforcement of this Agreement in any material respect. Accordingly, each Guarantor agrees that during the term of this Agreement there shall not occur a material adverse effect to the net worth of such Guarantor that results or could reasonably be expected to result in the inability of such Guarantor to have sufficient assets to satisfy the Obligations.

WHEREAS

(A) On October 20, 2015, **WBR FRANQUIAS E PARTICIPAÇÕES LTDA.**, a Brazilian limited liability company (*sociedade limitada*) with headquarters at Rua Ialá, 150, 13rd floor, Room 01, Itaim Bibi, City of São Paulo, State of São Paulo, Zip Code 04542-060, enrolled with CNPJ/MF under No. 21.824.541/0001-04 (the "**Borrower**"), in the capacity of borrower, entered into a credit agreement with the Beneficiary pursuant to which the Borrower could borrow up to US\$8,000,000 (eight million US Dollars) from Beneficiary ("**Credit Agreement 2015**");

(C) On the date hereof, the Borrower, in the capacity of borrower, entered into a new credit agreement pursuant to which the Borrower can borrow up to US\$4,800,000 (four million and eight hundred thousand US Dollars) from the Beneficiary ("**Credit Agreement 2017**" and, together with the Credit Agreement 2015, "**Credit Agreements**");

(D) The Guarantors are fully aware of the terms and conditions of the Credit Agreements and agree to guarantee the full and prompt performance of the obligations of the Borrower due under the Credit Agreement 2017 by including such obligations in the definition of Guaranteed Obligations of the Guarantee Agreement; and

(E) The Parties have agreed to include the Credit Agreement 2017 as part of the definition of Guaranteed Obligations.

NOW THEREFORE, in consideration of the premises and mutual promises contained herein, the Parties agree to enter into this First Amendment to the Guarantee Agreement (hereinafter the "**Amendment**"), which shall be governed by the following terms and conditions:

1. DEFINITIONS

1.1. Unless as otherwise defined herein, capitalized terms used in this Amendment shall have the meanings ascribed to them in the Guarantee Agreement.

2. AMENDMENT

2.1. As a consequence of the execution of the Credit Agreement 2017, the Parties agree to amend and complement the definition of "Obligations" and "Guaranteed Obligations" provided in the Guarantee Agreement. As of the date hereof, for all purposes of the Guarantee Agreement: (i) "**Obligations**" shall mean all amounts and obligations due to the Beneficiary under the Credit Agreement 2015 and the Credit Agreement 2017, including relevant obligations to pay principal and interest, penalties, fines, fees and expenses, and other amounts due or that may become due pursuant to the terms of the Credit Agreement 2015 and the Credit Agreement 2017; and (ii) "**Guaranteed Obligations**" shall mean the percentage of the Obligations corresponding to the percentage of the quotas of the Borrower owned directly or indirectly by the Guarantors and their Affiliates, pursuant to the terms and conditions of the Guarantee Agreement.

2.2. The Guarantors hereby ratify the guarantee granted to the Beneficiary under the Guarantee Agreement and all obligations undertaken thereunder.

2.3. The Guarantors, as primary obligor and not merely as a surety, and being joint and severally liable with Borrower in respect to the Obligations and Guaranteed Obligations, notwithstanding occasional Borrower's declaration of bankruptcy or request for preventive judicial or extrajudicial rehabilitation ("*recuperação judicial ou extrajudicial*"), hereby agree that they shall not be exempted from the responsibility to pay the principal and accessory debts accrued with interest and further charges under the Credits Agreements and under the Agreement, accrued *pro rata die*, as from the due date of the debt until the date of its actual payment.

2.3.1. The Guarantors hereby expressly acknowledge and agree that the Beneficiary will be entitled to enforce the payment of the Guaranteed Obligations against any of the Guarantors severally or all of them jointly, without any priority order or limitation of any nature, provided that any Guarantor, individually considered, may be subject to the payment of the total amount due under the Guaranteed Obligations.

2.4. The Guarantors shall also be liable for payment of judicial or extrajudicial expenses, including attorneys' fees, in case Beneficiary is compelled to file a lawsuit claiming the enforcement of the performance of any obligation undertaken by Borrower.

2.5. In case of (i) insolvency, loss of financial capacity or liquidity of any of the Guarantors; (ii) sale or encumbrances of all real estates or main assets of any of the Guarantors; (iii) loss of market value of business and assets of any of the Guarantors; or (iv) modification of any of the Guarantors' seat without a prior written notice to Beneficiary, Borrower undertakes to present a new guarantor, with sufficient assets and financial capacity and liquidity to act as a guarantor of the Credit Agreements and of the Guarantee Agreement, within thirty (30) days counted as from the notice from Beneficiary requiring presentation of new guarantor.

2.6. Each of the Guarantors represents and warrants to have sufficient assets, in the aggregate, free of any encumbrances of any nature, to fully comply with the Guaranteed Obligations.

2.7. Each of the Guarantors acknowledges and agrees that the Beneficiary, at its sole discretion, will be entitled to elect the enforcement of the Guarantee regardless of any other guarantee instruments or remedies available to the Beneficiary against any of the Guarantors or third parties, without any priority order or limitation of any nature, pursuant to the terms of this Amendment, the Guarantee Agreement, the Quota Pledge Agreement, the Credit Agreements and/or any other Loan Documents. Therefore, each of the Guarantors further acknowledges and agrees that, as from the date hereof, the last paragraph of Section 2.1 of the Guarantee Agreement shall no longer be valid for any purpose whatsoever, including for purposes of the Credit Agreement 2015.

2.7.1. In view of the above, Sections 2.1 and 2.3 of the Guarantee Agreement shall become in force as follows:

"SECTION 2.1. Guarantee.

(a) Each Guarantor hereby, jointly and severally, unconditionally and irrevocably, guarantees to the Beneficiary the prompt and complete payment and performance by the Borrower when due (whether at the stated maturity, or earlier by acceleration or otherwise) of the Guaranteed Obligations. The Guarantee granted by the Guarantors pursuant to this Agreement has the purpose of guaranteeing the full and prompt payment and performance when due (whether at the due dates set forth in the Credit Agreement, or earlier, in case of acceleration or for any other reason as set forth in the Credit Agreement) of the Obligations. For the avoidance of doubt, if the equity interest that the Guarantors own or control directly or indirectly (including through subsidiaries, sister companies or other Affiliates) in the Borrower increases or decreases for any reason or in any manner, the percentage of the obligations of the Borrower under the Credit Agreement that comprises the Guaranteed Obligations shall increase or decrease to reflect the equity interest that the Guarantors own or control directly or indirectly in the Borrower.

(b) Anything herein or in any other Loan Document to the contrary notwithstanding, the maximum liability of each Guarantor hereunder and under the

other Loan Documents shall in no event exceed the amount which can be guaranteed by such Guarantor under applicable federal and state laws relating to the insolvency of debtors (after giving effect to the right of contribution established in Section 2.2 and according to the percentage of Quotas held by Starboard in the capital of the Borrower).

(c) Each Guarantor agrees that the Obligations may at any time and from time to time exceed the amount of the liability of such Guarantor hereunder without impairing or increasing the value of (as long as the value of the Obligations themselves does not increase) the Guarantee or affecting the rights and remedies of the Beneficiary hereunder.

(d) The Guarantee shall remain in full force and effect until all the Guaranteed Obligations have been satisfied by indefeasible payment in full in cash (other than contingent indemnification and contingent expense obligations that survive the termination of the Loan Documents), notwithstanding that from time to time during the term of the Credit Agreement the Borrower may be free from any Obligations.

(e) No payment, made by the Borrower, any Guarantor, any other guarantor or any other Person, or received or collected by the Beneficiary from the Borrower, any Guarantor, any other guarantor or any other Person, by virtue of any action or proceeding or any set-off or appropriation or application at any time or from time to time in reduction of, or in payment of, the Obligations shall be deemed to modify, reduce, release or otherwise affect the liability of any Guarantor hereunder for any portion of the Obligations which have not been paid which shall, notwithstanding any such payment (other than any payment made by any Guarantor in respect of the Obligations or any payment received or collected from any Guarantor in respect of the Obligations), remain liable for the portion of the Obligations which have not been paid up to the maximum liability of a Guarantor hereunder until the Obligations (other than contingent indemnification and contingent expense obligations that survive the termination of the Loan Documents), are paid in full."

"SECTION 2.3. Amendments, etc. with respect to the Obligations. *Each Guarantor shall remain obligated hereunder notwithstanding that, without any reservation of rights against such Guarantor and without notice to or further assent by such Guarantor, any demand for payment of any of the Obligations made by the Beneficiary may be rescinded by the Beneficiary and any of the Obligations continued, and the Obligations, or the liability of any other Person upon or for any part thereof, or any collateral security or guarantee therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, amended, modified, accelerated, compromised, waived, surrendered or released by the Parties, and the Credit Agreement and the other Loan Documents and any other documents executed and delivered in connection therewith may be amended, modified, supplemented or terminated, in whole or in part by the Parties and any collateral security, guarantee or right of offset at any time held by the Beneficiary for the payment of the Obligations may be sold, exchanged, waived, surrendered or released. The Beneficiary shall not have any obligation to protect, secure, perfect*

or insure any Lien at any time held by it as security for the Obligations or for the Guarantee or any property subject thereto. The failure of the Beneficiary to enforce the Guaranty against any one or all the Guarantors or against any other guaranty or security pertaining to the Credit Agreement shall not result, under any circumstance, in the loss of any right or remedy of Beneficiary provided under this Agreement. The Beneficiary will be entitled, at its sole discretion, to enforce (or not enforce) any of such guarantees in any sequence or order and without any kind of limitation or restriction in choosing among the Guarantors and any other guarantors."

3. REGISTRATIONS

3.1. The Guarantors shall provide for the translation of the Guarantee Agreement and this Amendment into Portuguese by a sworn translator and register the Guarantee Agreement and this Amendment accompanied the relevant sworn translation with the competent Registry of Deeds and Documents (*Registro de Títulos e Documentos*) in the City of São Paulo, State of São Paulo, within twenty (20) calendar days as from the date hereof.

3.2. The Guarantors shall present to the Beneficiary evidence that the respective registration was duly completed within three (3) calendar days as from the date the relevant registration is completed.

4. REPRESENTATIONS, WARRANTIES, COVENANTS AND UNDERTAKINGS

4.1. The Guarantors and the Borrower hereby make the same representations and warranties made by each of them, as the case may be, pursuant to terms of the Guarantee Agreement as if the same were made on the date hereof.

5. GOVERNING LAW

5.1. This Amendment is governed by, and shall be interpreted in accordance with, the laws of the State of New York.

6. JURISDICTION

6.1. Any legal action or proceeding against Beneficiary with respect to or arising out of this Amendment shall be brought exclusively in or removed to the courts of the State of New York, in and for the County of New York, or of the United States of America for the Southern District of New York (in each case sitting in the Borough of Manhattan). The Guarantors hereby expressly consent that any legal action with respect to, or arising out of this Amendment, may be brought by Beneficiary in or removed to the courts of (i) the State of New York, in and for the County of New York, or of the United States of America for the Southern District of New York (in each case sitting in the Borough of Manhattan), (ii) the City of São Paulo, State of São Paulo, Brazil or (iii) the corporate domicile of any Guarantor. By execution and delivery of this Amendment, each Guarantor hereby expressly (i) accepts and submits, for itself and in respect of its property, generally and unconditionally, the jurisdiction of the abovementioned courts (and courts of appeals therefore) for legal proceedings arising out of or in connection with this Amendment; and (ii) waives the right to bring an action in any other jurisdiction that could apply by virtue of its present or future domicile or for any other reason and waives any right to which it may be entitled, on account of place of residence or domicile or otherwise.

7. GENERAL PROVISION

7.1. Except as expressly provided by this Amendment, the provisions of the Guarantee Agreement shall continue to be in full force and effect and are hereby ratified by the Parties hereto.

In witness whereof, the Parties signed this Amendment in three (3) counterparts of the same form and contents, to one sole effect, in the presence of the two (2) witnesses signed below on the date first written above.

concordam em celebrar este Segundo Aditamento do Contrato de Garantia (doravante o "Aditamento"), o qual será regido pelos termos e condições a seguir:

1. DEFINIÇÕES

1.1. Salvo se definidos em contrário neste instrumento, os termos com iniciais maiúsculas utilizados neste Aditamento deverão ter os significados a eles atribuídos no Contrato de Garantia.

2. ADITAMENTO

2.1. As Partes concordam em alterar as definições de "Obrigações Garantidas" previstas no Contrato de Garantia. A partir desta data, para todos os fins do Contrato de Garantia, "Obrigações Garantidas" significa 40% (quarenta por cento) das Obrigações, segundo os termos e condições do Contrato de Garantia.

2.2. Tendo em vista o disposto acima, a partir da data deste instrumento, a Cláusula 2.1 do Contrato de Garantia passará a vigorar conforme segue:

"CLÁUSULA 2.1. Garantia.

(a) Os Garantidores garantem, neste ato, incondicional e irrevogavelmente, à Beneficiária, o pontual e completo pagamento e cumprimento, pela Devedora, das Obrigações Garantidas, quando devidas (seja na data de vencimento ou antes, em razão de vencimento antecipado ou por outro motivo). A Garantia prestada pelos Garantidores, nos termos deste Contrato, tem por objetivo garantir o completo e pontual pagamento e cumprimento das Obrigações, quando devidas (seja nas datas de vencimento previstas nos Contratos de Empréstimo ou antes, em caso de vencimento antecipado ou por qualquer outra razão, conforme previsto no Contratos de Empréstimo) das Obrigações.

(b) Não obstante qualquer disposição em contrário neste instrumento ou em qualquer outro Documento do Empréstimo, a responsabilidade máxima dos Garantidores no âmbito deste instrumento e dos demais Documentos do Empréstimo não excederá, em nenhuma hipótese, o valor que possa ser garantido pelos Garantidores nos termos das leis federais e estaduais aplicáveis sobre insolvência de devedores (depois de dar efeito ao direito de contribuição previsto na Cláusula 2.2).

(c) Os Garantidores concordam que as Obrigações poderão, a qualquer tempo e de tempos em tempos, exceder o valor da sua responsabilidade aqui prevista sem impactar ou aumentar o valor da Garantia (desde que o valor das Obrigações não aumente) ou afetar os direitos e recursos da Beneficiária aqui previstos.

(d) A Garantia deverá permanecer em pleno vigor e eficaz, até que as Obrigações Garantidas tenham sido cumpridas, mediante pagamento integral e incontestável, em espécie (exceto por obrigações de eventual indenização e despesas eventuais que sobreviverão ao término dos Documentos do Empréstimo) e a Beneficiária tenha expressamente liberado os Garantidores da Garantia, não obstante a Devedora poder, de tempos em tempos, durante o prazo dos Contratos de Empréstimo, estar desobrigada de quaisquer Obrigações.

(e) Nenhum pagamento feito pela Devedora, os Garantidores, ou outro garantidor ou outra Pessoa, ou recebido ou cobrado pela Beneficiária da Devedora, dos Garantidores, ou outro garantidor ou outra Pessoa por meio de qualquer processo ou procedimento, compensação, apropriação ou aplicação, a qualquer tempo ou de tempos em tempos, em redução a ou em pagamento das Obrigações deverá ser considerado com o fim de alterar, reduzir, liberar ou de outra forma afetar a responsabilidade dos Garantidores aqui prevista, ou qualquer das Obrigações que não tenha sido paga, devendo os Garantidores, não obstante qualquer referido pagamento (que não o pagamento feito pelos Garantidores em relação às Obrigações, ou qualquer pagamento recebido ou cobrado dos Garantidores em relação às Obrigações), permanecer responsável pela parte das Obrigações que não tenha sido paga, até a máxima responsabilidade dos Garantidores ora estabelecida, até que as Obrigações (que não as obrigações de indenização e despesas eventuais que sobrevivem ao término dos Documentos do Empréstimo) sejam integralmente satisfeitas."

2.3. Os Garantidores neste ato ratificam a garantia concedida à Beneficiária de acordo com o Contrato de Garantia, conforme alterado pelo presente Aditamento, bem como suas obrigações pertinentes assumidas nos termos do referido instrumento.

WHEREAS

(A) On October 20, 2015, **WBR FRANQUIAS E PARTICIPAÇÕES LTDA.**, a Brazilian limited liability company (*sociedade limitada*) with headquarters at Rua Ialá, 150, 13th floor, Room 01, Itaim Bibi, City of São Paulo, State of São Paulo, Zip Code 04542-060, enrolled with CNPJ/MF under No. 21.824.541/0001-04 (the "**Borrower**"), in the capacity of borrower, entered into a credit agreement with the Beneficiary pursuant to which the Borrower borrowed US\$8,000,000 (eight million US Dollars) from the Beneficiary ("**Credit Agreement 2015**");

(B) Pursuant to the terms of the Guarantee Agreement entered into by and between the Parties on October 20, 2015 ("**Original Guarantee Agreement**"), each Guarantor, jointly and severally, unconditionally and irrevocably, guaranteed to the Beneficiary the prompt and complete payment and performance by the Borrower of the Guaranteed Obligations;

(C) On August 2, 2017, the Borrower, in the capacity of borrower, entered into a new credit agreement pursuant to which the Borrower borrowed US\$4,800,000 (four million and eight hundred thousand US Dollars) from the Beneficiary ("**Credit Agreement 2017**" and, together with the Credit Agreement 2015, "**Credit Agreements**");

(D) On August 2, 2017, the Parties entered into the First Amendment to the Guarantee Agreement ("**First Amendment to the Guarantee Agreement**" and, together with the Original Guarantee Agreement, "**Guarantee Agreement**") to include the Credit Agreement 2017 as part of the definition of Guaranteed Obligations; and

(E) The Parties have agreed to amend the definition of "Guaranteed Obligations" contained in the Guarantee Agreement.

NOW THEREFORE, in consideration of the premises and mutual promises contained herein, the Parties agree to enter into this Second Amendment to the Guarantee Agreement (hereinafter the "**Amendment**"), which shall be governed by the following terms and conditions:

1. DEFINITIONS

1.1. Unless as otherwise defined herein, capitalized terms used in this Amendment shall have the meanings ascribed to them in the Guarantee Agreement.

2. AMENDMENT

2.1. The Parties agree to amend the definition of "Guaranteed Obligations" provided in the Guarantee Agreement. As of the date hereof, for all purposes of the Guarantee Agreement, "**Guaranteed Obligations**" shall mean forty percent (40%) of the Obligations, pursuant to the terms and conditions of the Guarantee Agreement.

2.2. In view of the above, as from the date hereof, Section 2.1 of the Guarantee Agreement shall become in force as follows:

SECTION 2.1. Guarantee.

(a) *The Guarantors hereby, unconditionally and irrevocably, guarantee to the Beneficiary the prompt and complete payment and performance by the Borrower when due (whether at the stated maturity, or earlier by acceleration or otherwise) of the Guaranteed Obligations. The Guarantee granted by the Guarantors pursuant to this Agreement has the purpose of guaranteeing the full and prompt payment and performance when due (whether at the due dates set forth in the Credit Agreements, or earlier, in case of acceleration or for any other reason as set forth in the Credit Agreements) of the Obligations.*

(b) *Anything herein or in any other Loan Document to the contrary notwithstanding, the maximum liability of the Guarantors hereunder and under the other Loan Documents shall in no event exceed the amount which can be guaranteed by the Guarantors under applicable federal and state laws relating to the insolvency of debtors (after giving effect to the right of contribution established in Section 2.2).*

(c) *The Guarantors agree that the Obligations may at any time and from time to time exceed the amount of their liability hereunder without impairing or increasing the value of (as long as the value of the Obligations themselves does not increase) the Guarantee or affecting the rights and remedies of the Beneficiary hereunder.*

(d) *The Guarantee shall remain in full force and effect until all the Guaranteed Obligations have been satisfied by indefeasible payment in full in cash (other than contingent indemnification and contingent expense obligations that survive the*

termination of the Loan Documents) and the Beneficiary has expressly released the Guarantors from the Guarantee, notwithstanding that from time to time during the term of the Credit Agreements the Borrower may be free from any Obligations.

(e) No payment, made by the Borrower, the Guarantors, any other guarantor or any other Person, or received or collected by the Beneficiary from the Borrower, the Guarantors, any other guarantor or any other Person, by virtue of any action or proceeding or any set-off or appropriation or application at any time or from time to time in reduction of, or in payment of, the Obligations shall be deemed to modify, reduce, release or otherwise affect the liability of the Guarantors hereunder for any portion of the Obligations which have not been paid which shall, notwithstanding any such payment (other than any payment made by the Guarantors in respect of the Obligations or any payment received or collected from the Guarantors in respect of the Obligations), remain liable for the portion of the Obligations which have not been paid up to the maximum liability of the Guarantors hereunder until the Obligations (other than contingent indemnification and contingent expense obligations that survive the termination of the Loan Documents), are paid in full.

2.3. The Guarantors hereby ratify the guarantee granted to the Beneficiary under the Guarantee Agreement, as amended by this Amendment, and all their relevant obligations undertaken thereunder.

3. REGISTRATIONS

3.1. The Guarantors shall provide for the translation of this Amendment into Portuguese by a sworn translator and register this Amendment accompanied by the relevant sworn translation with the competent Registry of Deeds and Documents (*Registro de Títulos e Documentos*) in the City of São Paulo, State of São Paulo, within twenty (20) calendar days as from the date hereof.

3.2. The Guarantors shall present to the Beneficiary evidence that the registration of this Amendment was duly completed within three (3) calendar days as from the date the registration is completed.

4. REPRESENTATIONS, WARRANTIES, COVENANTS AND UNDERTAKINGS

4.1. The Guarantors and the Borrower hereby make the same representations and warranties made by each of them, as the case may be, pursuant to terms of the Guarantee Agreement, including those made pursuant to the First Amendment to the Guarantee Agreement, as if the same were made on the date hereof.

5. GOVERNING LAW

5.1. This Amendment is governed by, and shall be interpreted in accordance with, the laws of the State of New York.

6. JURISDICTION

6.1. Any legal action or proceeding against Beneficiary with respect to or arising out of this Amendment shall be brought exclusively in or removed to the courts of the State of New York, in and for the County of New York, or of the United States of America for the Southern District of New York (in each case sitting in the Borough of Manhattan). The

Guarantors hereby expressly consent that any legal action with respect to, or arising out of this Amendment, may be brought by Beneficiary in or removed to the courts of (i) the State of New York, in and for the County of New York, or of the United States of America for the Southern District of New York (in each case sitting in the Borough of Manhattan), (ii) the City of São Paulo, State of São Paulo, Brazil or (iii) the corporate domicile of any Guarantor. By execution and delivery of this Amendment, each Guarantor hereby expressly (i) accepts and submits, for itself and in respect of its property, generally and unconditionally, the jurisdiction of the abovementioned courts (and courts of appeals therefore) for legal proceedings arising out of or in connection with this Amendment; and (ii) waives the right to bring an action in any other jurisdiction that could apply by virtue of its present or future domicile or for any other reason and waives any right to which it may be entitled, on account of place of residence or domicile or otherwise.

7. GENERAL PROVISION

7.1. Except as expressly provided by this Amendment, the provisions of the Guarantee Agreement shall continue to be in full force and effect and are hereby ratified by the Parties hereto.

In witness whereof, the Parties signed this Amendment in three (3) counterparts of the same form and contents, to one sole effect, in the presence of the two (2) witnesses signed below on the date first written above.

Subject: Brazil note

Hi Andrew,

Hope you're continuing to feel better each day.

As follow-up to our most recent discussion, I've attached clean and redlined versions of the promissory note, the revised amortization schedule and a suggested revised JCP that we would use as exhibit D. Please note the suggested JCP assumes that you sell Richmond and complete 100% of the remaining restaurants by 12.31.24. Please review and let's plan to discuss next week. We want to get this note fully executed by end of this January.

Look forward to speaking next week.

Thanks,
Kris

SECURED PROMISSORY NOTE

FRANKLIN COUNTY, OHIO

\$5,550,360.55

January ~~December~~ __, 2020 ~~19~~

FOR VALUE RECEIVED, the undersigned, Andrew Levy (the “**Maker**”), whose principal address is 1401 West Two Creeks Circle, Park City Utah, 84098, promises to pay to the order of WENDY’S NETHERLANDS B.V., a company organized and existing under the laws of the Netherlands (the “**Payee**”), at its registered address Prins Bernhardplein 200, 1097 JB Amsterdam, the Netherlands, or at such other place as the Payee may from time to time designate in writing, the principal sum of Five Million Five Hundred and Fifty Thousand Three Hundred and Sixty and 55/100 Dollars (\$5,550,360.55), subject to reduction as described in the immediately following paragraph, plus interest at the ~~annual~~ rate of five percent (5%) per annum.

Commencing on January 15, 2020, and continuing until maturity, by acceleration or otherwise, Maker shall pay to Payee quarterly installments of principal and interest on the dates and in the combined amounts as set forth and in accordance with the Amortization Schedule attached hereto as *Exhibit A* and incorporated herein. Accrued interest on this Note shall be added monthly to the principal balance of this Note on the fifteenth day of each such month and shall thereafter accrue interest as provided herein. The entire amount due hereunder, including all unpaid principal and accrued interest, shall be due and payable in full on December 15, 2024 (it being understood that if the principal payments set forth on *Exhibit A* due prior to December 15, 2024 are made in accordance with the terms of this Note then the principal balance due on December 15, 2024 would be ~~Five Four~~ Million ~~Three Two~~ Hundred and ~~Nineteen Ninety-Five~~ Thousand ~~Eight Three~~ Hundred and ~~Thirty-Four Ninety-Six~~ Dollars and ~~Thirty-Two Fifty-Five~~ Cents (~~\$5,319,834.324,295,396.55~~). Notwithstanding the foregoing, if Maker has made all payments of principal and interest due hereunder in accordance with the immediately two preceding sentences and no other default or event of default has occurred (whether or not cured or waived) (“**Discount Conditions**”) then the amount of principal due shall be reduced by the amount of One Million Two Hundred Thousand Dollars (\$1,200,000.00) (by way of example only, if the remaining balance of this Note is ~~\$5,319,834.324,295,396.55~~ on December 15, 2024 and this discount is to be applied as provided for in this sentence then a combined balance of ~~\$4,119,834.323,095,396.55~~ would be due on December 15, 2024).

All principal and interest shall be payable in arrears. Interest hereon shall be calculated on the basis of a 360-day year applied to the actual number of days elapsed. All payments of principal and interest hereon shall be payable at par in lawful currency of the United States. Except as otherwise described herein, all amounts received for payment of this Note shall be first applied to any expenses due Payee under this Note or the Mortgage (as hereinafter defined) then to accrued interest, and finally to the reduction of principal. Payee shall designate in writing from time to time to Maker an account of Payee into which such amounts are to be paid.

The principal amount of this Secured Promissory Note represents an aggregate of amounts of existing indebtedness that the Maker freely admits are due and owing to Payee, and/or its subsidiaries, affiliates and related entities pursuant to and in satisfaction of the Maker’s obligations under that certain Guarantee Agreement, dated as of October 20, 2015, among Starboard International Holdings B.V., as Guarantor (“**Starboard**”), Maker, as Guarantor, and

Wendy's Netherlands B.V., as Beneficiary, as amended by the first amendment thereto dated August 2, 2017 and the second amendment thereto dated January 19, 2018 (such Guarantee Agreement, as so amended being the "**Guarantee**") attached hereto as Exhibit B and made a part hereof pursuant to which Maker guaranteed the obligations of WBR Franquais Participacoes LTDA, as borrower ("**Borrower**") under (x) the Credit Agreement, dated as of October 20, 2015 ("**2015 Credit Agreement**"), among Payee and Borrower and (y) the Credit Agreement, dated as of August 2, 2017 (together with the 2015 Credit Agreement being the "**Credit Agreements**")), among Payee and Borrower. The principal amount hereunder represents the amount agreed upon between Maker and Payee to be payable by Maker to discharge the obligations under the Guarantee with respect to the Credit Agreements. Such amount or any payment hereunder shall not in any way reduce or constitute a forgiveness of any amount owed by Borrower to Payee under the Credit Agreements.

In the event that any payment of principal and/or interest is not actually received by the Payee on or prior to the respective due date as set forth in the Amortization Schedules attached as *Exhibit A* hereto, the Maker agrees to pay Payee a late charge equal to the greater of twelve percent (12%) per annum on such delinquent amount until paid, or such amount as is permitted by law.

Payments due hereunder shall be paid by pre-authorized wire transfer, electronic transfer via automated clearing houses, similar commonly-accepted methods of funds transfer or such other method as Payee may designate in writing from time to time. Maker shall undertake all actions necessary and shall deliver to Payee all necessary information (including financial institution of origin and relevant account numbers) pertaining to such pre-authorized transfers.

Prepayment of the principal of this Note shall be permitted without premium or penalty of any kind, provided, however, that if Payee, in Payee's sole discretion, elects to assign, sell or transfer this Note to another person (each an Assignee), then in the event of an early payoff, Maker shall be required to pay to an Assignee of Payee a prepayment premium equal to 3% of the Note payoff amount during the first Loan Year (as defined herein) of the Note, 2% of the Note payoff amount during the second Loan Year of the Note, and 1% of the Note payoff amount during the third Loan Year of the Note, and 0% of the Note payoff amount after the end of the third Loan Year, and in no event is Maker permitted to pay any lump sum payments, without paying the Note in full, plus the prepayment premium during the first three (3) Loan Years of the Note.

The first Loan Year shall mean the period of time commencing on the date of this Note and ending on the last day of the twelfth consecutive month commencing with the month after the month in which this Note is dated, unless this Note is dated the first day of a month, in which case the first Loan Year shall mean the twelve consecutive months commencing with the date of this Note. Each subsequent Loan Year shall mean the successive twelve consecutive month period following the preceding Loan Year.

Maker covenants and agrees to use his best efforts to cause this Note to be secured on or before February 15, 2020 by either: 1) a Deed of Trust (such Deed of Trust to have such terms and conditions and be in form, scope and substance as is satisfactory to Payee), on or before December 31, 2019 on Maker's personal residence located at 1401 West Two Creeks Circle Park

City, UT 84098 (the “Mortgage”); or 2) by such other collateral as is sufficient to secure the Note as is determined by Payee in Payee’s sole discretion.

This Note may not be changed orally, but only by an agreement in writing signed by the parties against whom enforcement of any waiver, change, modification or discharge is sought.

This Note may be assigned, sold or transferred by Payee at Payee’s sole discretion. If so assigned, the Assignee hereof shall have and be entitled to exercise any and all discretion, rights and powers of Payee, but Assignee shall not be chargeable with any obligations or liabilities of Payee hereunder or with respect thereof. Maker hereby agrees that Payee may, in its sole discretion, disclose pertinent financial information relative to Maker to any Assignee in order to facilitate the assignment, sale or transfer of this Note. Maker agrees that it will not assert against Assignee any claim, defense, counterclaim or offset on account of this Note in any action brought by an Assignee.

In the event of any loss, theft, destruction or mutilation of this Note, upon Maker’s receipt of an affidavit of an officer of Payee as to such loss, theft, destruction or mutilation and an appropriate indemnification, Maker will execute and deliver a replacement Note in the same principal amount and otherwise of like tenor as the lost, stolen, destroyed or mutilated Note.

The holders of this Note and all successors thereof shall have all of the rights of a holder in due course as provided under the Ohio Uniform Commercial Code and other laws of the State of Ohio. Maker hereby waives demand, presentment, protest, notice of protest and/or dishonor and all other notices or requirements that might otherwise be required by law. The Maker promises to pay on demand all costs of collection, including attorney’s fees and court costs, paid or incurred by Payee in enforcing this Note upon Maker’s default hereunder.

The occurrence of any of the following shall constitute an “event of default” under this Note:

- (a) The failure of Maker to make any payment when due under this Note (time is of the essence of this Note) or to observe or perform any other term, agreement or covenant in this Note;
- (b) The institution of proceedings by or against Maker under any state insolvency laws, federal bankruptcy law or similar debtor relief laws then in effect;
- (c) Maker becoming insolvent or generally failing to pay its debts as they become due;
- (d) The entry of a judgment against Maker which remains unsatisfied for more than thirty (30) days;
- (e) The existence of a material misrepresentation of Maker’s financial condition in any oral or written statement made to Payee;
- (f) Default by Maker to comply with its obligations under the fifth immediately preceding paragraph with respect to the Mortgage (or such

other sufficient security has Payee has determined is acceptable) or to comply with his obligations under such Mortgage;

- (g) Default by the franchisee and/or termination or transfer (whether or not voluntarily or mutually agreed) of all of the Wendy's franchise agreements in the U.S. and/or the ceasing of operation of all Wendy's restaurants that are franchised to Maker and/or any entities of which Maker is a shareholder or holds other voting or member interests;

(h) The failure of Maker and/or any of the entities of which Maker is a shareholder or holds other voting or member interest to meet the reimagining timing and requirements set forth in the restaurant reimagining schedule attached as *Exhibit D* hereto; and

- ~~(i)~~ The death of Maker.

Upon the occurrence of an event of default, as defined above, Payee may, at its option and without notice, declare all principal and interest provided for under this Note to be immediately due and payable. Payee may waive any default before or after it occurs and may restore this Note in full effect without impairing the right to declare it due for a subsequent default, this right being a continuing one. Upon the occurrence of any of (a) through (h) above, Payee, in its sole discretion, may elect to issue a Notice of Default, without the necessity of first accelerating the principal or interest balance hereunder.

Maker hereby authorizes any attorney at law to appear for the Maker in any court of record in Franklin County, Ohio, with or without process, at any time after this Note becomes payable, by acceleration or otherwise, and waives the issuance and service of process and confesses judgment against Maker in favor of the holder of this Note for the amount then appearing due, together with interest, costs of suit and attorney's fees and thereupon to release all errors and waive all rights of second trial, appeal, and stay of execution.

In consideration for Payee's willingness to accept this Note from Maker and its forbearance relative to actions which it might otherwise take as of the date of this Note with regard to the obligations referenced herein, Maker hereby agrees to execute and shall cause Starboard to execute contemporaneously herewith, a General Release of All Claims in the form identical to that attached hereto and made a part hereof as *Exhibit C*. Maker represents and warrants that he, directly or indirectly, owns beneficially 100% of the equity interests of Starboard, has the control over the business direction of Starboard and has the power and authority to cause Starboard to enter into such General Release of Claims.

Maker acknowledges and agrees that Payee's willingness to provide this Note and the provisions of this Note are strictly confidential in nature and are subject to the confidentiality provisions of the Franchise Agreements.

This Note may be freely transferred by Payee.

If any provision of this Note should for any reason be invalid or unenforceable, the remaining provisions hereof shall remain in full effect.

This Note shall be governed and construed in accordance with the laws of the State of Ohio and shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.

This Note was executed in Franklin County, Ohio.

SECURED PROMISSORY NOTE

FRANKLIN COUNTY, OHIO

\$5,550,360.55

January __, 2020

FOR VALUE RECEIVED, the undersigned, Andrew Levy (the “**Maker**”), whose principal address is 1401 West Two Creeks Circle, Park City Utah, 84098, promises to pay to the order of WENDY’S NETHERLANDS B.V., a company organized and existing under the laws of the Netherlands (the “**Payee**”), at its registered address Prins Bernhardplein 200, 1097 JB Amsterdam, the Netherlands, or at such other place as the Payee may from time to time designate in writing, the principal sum of Five Million Five Hundred and Fifty Thousand Three Hundred and Sixty and 55/100 Dollars (\$5,550,360.55), subject to reduction as described in the immediately following paragraph, plus interest at the rate of five percent (5%) per annum.

Commencing on January 15, 2020, and continuing until maturity, by acceleration or otherwise, Maker shall pay to Payee quarterly installments of principal and interest on the dates and in the combined amounts as set forth and in accordance with the Amortization Schedule attached hereto as *Exhibit A* and incorporated herein. Accrued interest on this Note shall be added monthly to the principal balance of this Note on the fifteenth day of each such month and shall thereafter accrue interest as provided herein. The entire amount due hereunder, including all unpaid principal and accrued interest, shall be due and payable in full on December 15, 2024 (it being understood that if the principal payments set forth on *Exhibit A* due prior to December 15, 2024 are made in accordance with the terms of this Note then the principal balance due on December 15, 2024 would be Five Million Three Hundred and Nineteen Thousand Eight Hundred and Thirty-Four Dollars and Thirty-Two Cents (\$5,319,834.32). Notwithstanding the foregoing, if Maker has made all payments of principal and interest due hereunder in accordance with the immediately two preceding sentences and no other default or event of default has occurred (whether or not cured or waived) (“**Discount Conditions**”) then the amount of principal due shall be reduced by the amount of One Million Two Hundred Thousand Dollars (\$1,200,000.00) (by way of example only, if the remaining balance of this Note is \$5,319,834.32 on December 15, 2024 and this discount is to be applied as provided for in this sentence then a combined balance of \$4,119,834.32 would be due on December 15, 2024).

All principal and interest shall be payable in arrears. Interest hereon shall be calculated on the basis of a 360-day year applied to the actual number of days elapsed. All payments of principal and interest hereon shall be payable at par in lawful currency of the United States. Except as otherwise described herein, all amounts received for payment of this Note shall be first applied to any expenses due Payee under this Note or the Mortgage (as hereinafter defined) then to accrued interest, and finally to the reduction of principal. Payee shall designate in writing from time to time to Maker an account of Payee into which such amounts are to be paid.

The principal amount of this Secured Promissory Note represents an aggregate of amounts of existing indebtedness that the Maker freely admits are due and owing to Payee, and/or its subsidiaries, affiliates and related entities pursuant to and in satisfaction of the Maker’s obligations under that certain Guarantee Agreement, dated as of October 20, 2015, among Starboard International Holdings B.V., as Guarantor (“**Starboard**”), Maker, as Guarantor, and Wendy’s Netherlands B.V., as Beneficiary, as amended by the first amendment thereto dated

August 2, 2017 and the second amendment thereto dated January 19, 2018 (such Guarantee Agreement, as so amended being the “**Guarantee**”) attached hereto as Exhibit B and made a part hereof pursuant to which Maker guaranteed the obligations of WBR Franquais Participacoes LTDA, as borrower (“**Borrower**”) under (x) the Credit Agreement, dated as of October 20, 2015 (“**2015 Credit Agreement**”), among Payee and Borrower and (y) the Credit Agreement, dated as of August 2, 2017 (together with the 2015 Credit Agreement being the “**Credit Agreements**”), among Payee and Borrower. The principal amount hereunder represents the amount agreed upon between Maker and Payee to be payable by Maker to discharge the obligations under the Guarantee with respect to the Credit Agreements. Such amount or any payment hereunder shall not in any way reduce or constitute a forgiveness of any amount owed by Borrower to Payee under the Credit Agreements.

In the event that any payment of principal and/or interest is not actually received by the Payee on or prior to the respective due date as set forth in the Amortization Schedules attached as *Exhibit A* hereto, the Maker agrees to pay Payee a late charge equal to the greater of twelve percent (12%) per annum on such delinquent amount until paid, or such amount as is permitted by law.

Payments due hereunder shall be paid by pre-authorized wire transfer, electronic transfer via automated clearing houses, similar commonly-accepted methods of funds transfer or such other method as Payee may designate in writing from time to time. Maker shall undertake all actions necessary and shall deliver to Payee all necessary information (including financial institution of origin and relevant account numbers) pertaining to such pre-authorized transfers.

Prepayment of the principal of this Note shall be permitted without premium or penalty of any kind, provided, however, that if Payee, in Payee’s sole discretion, elects to assign, sell or transfer this Note to another person (each an Assignee), then in the event of an early payoff, Maker shall be required to pay to an Assignee of Payee a prepayment premium equal to 3% of the Note payoff amount during the first Loan Year (as defined herein) of the Note, 2% of the Note payoff amount during the second Loan Year of the Note, and 1% of the Note payoff amount during the third Loan Year of the Note, and 0% of the Note payoff amount after the end of the third Loan Year, and in no event is Maker permitted to pay any lump sum payments, without paying the Note in full, plus the prepayment premium during the first three (3) Loan Years of the Note.

The first Loan Year shall mean the period of time commencing on the date of this Note and ending on the last day of the twelfth consecutive month commencing with the month after the month in which this Note is dated, unless this Note is dated the first day of a month, in which case the first Loan Year shall mean the twelve consecutive months commencing with the date of this Note. Each subsequent Loan Year shall mean the successive twelve consecutive month period following the preceding Loan Year.

Maker covenants and agrees to use his best efforts to cause this Note to be secured on or before February 15, 2020 by either: 1) a Deed of Trust (such Deed of Trust to have such terms and conditions and be in form, scope and substance as is satisfactory to Payee), on Maker’s personal residence located at 1401 West Two Creeks Circle Park City, UT 84098 (the “**Mortgage**”); or 2) by such other collateral as is sufficient to secure the Note as is determined by Payee in Payee’s sole discretion.

This Note may not be changed orally, but only by an agreement in writing signed by the parties against whom enforcement of any waiver, change, modification or discharge is sought.

This Note may be assigned, sold or transferred by Payee at Payee's sole discretion. If so assigned, the Assignee hereof shall have and be entitled to exercise any and all discretion, rights and powers of Payee, but Assignee shall not be chargeable with any obligations or liabilities of Payee hereunder or with respect thereof. Maker hereby agrees that Payee may, in its sole discretion, disclose pertinent financial information relative to Maker to any Assignee in order to facilitate the assignment, sale or transfer of this Note. Maker agrees that it will not assert against Assignee any claim, defense, counterclaim or offset on account of this Note in any action brought by an Assignee.

In the event of any loss, theft, destruction or mutilation of this Note, upon Maker's receipt of an affidavit of an officer of Payee as to such loss, theft, destruction or mutilation and an appropriate indemnification, Maker will execute and deliver a replacement Note in the same principal amount and otherwise of like tenor as the lost, stolen, destroyed or mutilated Note.

The holders of this Note and all successors thereof shall have all of the rights of a holder in due course as provided under the Ohio Uniform Commercial Code and other laws of the State of Ohio. Maker hereby waives demand, presentment, protest, notice of protest and/or dishonor and all other notices or requirements that might otherwise be required by law. The Maker promises to pay on demand all costs of collection, including attorney's fees and court costs, paid or incurred by Payee in enforcing this Note upon Maker's default hereunder.

The occurrence of any of the following shall constitute an "event of default" under this Note:

- (a) The failure of Maker to make any payment when due under this Note (time is of the essence of this Note) or to observe or perform any other term, agreement or covenant in this Note;
- (b) The institution of proceedings by or against Maker under any state insolvency laws, federal bankruptcy law or similar debtor relief laws then in effect;
- (c) Maker becoming insolvent or generally failing to pay its debts as they become due;
- (d) The entry of a judgment against Maker which remains unsatisfied for more than thirty (30) days;
- (e) The existence of a material misrepresentation of Maker's financial condition in any oral or written statement made to Payee;
- (f) Default by Maker to comply with its obligations under the fifth immediately preceding paragraph with respect to the Mortgage (or such other sufficient security has Payee has determined is acceptable) or to comply with his obligations under such Mortgage;

- (g) Default by the franchisee and/or termination or transfer (whether or not voluntarily or mutually agreed) of all of the Wendy's franchise agreements in the U.S. and/or the ceasing of operation of all Wendy's restaurants that are franchised to Maker and/or any entities of which Maker is a shareholder or holds other voting or member interests;
- (h) The failure of Maker and/or any of the entities of which Maker is a shareholder or holds other voting or member interest to meet the reimagining timing and requirements set forth in the restaurant reimagining schedule attached as *Exhibit D* hereto; and
- (i) The death of Maker.

Upon the occurrence of an event of default, as defined above, Payee may, at its option and without notice, declare all principal and interest provided for under this Note to be immediately due and payable. Payee may waive any default before or after it occurs and may restore this Note in full effect without impairing the right to declare it due for a subsequent default, this right being a continuing one. Upon the occurrence of any of (a) through (h) above, Payee, in its sole discretion, may elect to issue a Notice of Default, without the necessity of first accelerating the principal or interest balance hereunder.

Maker hereby authorizes any attorney at law to appear for the Maker in any court of record in Franklin County, Ohio, with or without process, at any time after this Note becomes payable, by acceleration or otherwise, and waives the issuance and service of process and confesses judgment against Maker in favor of the holder of this Note for the amount then appearing due, together with interest, costs of suit and attorney's fees and thereupon to release all errors and waive all rights of second trial, appeal, and stay of execution.

In consideration for Payee's willingness to accept this Note from Maker and its forbearance relative to actions which it might otherwise take as of the date of this Note with regard to the obligations referenced herein, Maker hereby agrees to execute and shall cause Starboard to execute contemporaneously herewith, a General Release of All Claims in the form identical to that attached hereto and made a part hereof as *Exhibit C*. Maker represents and warrants that he, directly or indirectly, owns beneficially 100% of the equity interests of Starboard, has the control over the business direction of Starboard and has the power and authority to cause Starboard to enter into such General Release of Claims.

Maker acknowledges and agrees that Payee's willingness to provide this Note and the provisions of this Note are strictly confidential in nature and are subject to the confidentiality provisions of the Franchise Agreements.

This Note may be freely transferred by Payee.

If any provision of this Note should for any reason be invalid or unenforceable, the remaining provisions hereof shall remain in full effect.

This Note shall be governed and construed in accordance with the laws of the State of Ohio and shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and assigns.

This Note was executed in Franklin County, Ohio.

COGNOVIT PROMISSORY NOTE

FRANKLIN COUNTY, OHIO

\$5,550,360.55February 23, 2020

FOR VALUE RECEIVED, the undersigned, Andrew Levy (the “**Maker**”), whose principal address is 1401 West Two Creeks Circle, Park City Utah, 84098, promises to pay to WENDY’S NETHERLANDS B.V., a company organized and existing under the laws of the Netherlands (the “**Payee**”) or its permitted assigns, at its registered address Prins Bernhardplein 200, 1097 JB Amsterdam, the Netherlands, or at such other place as the Payee may from time to time designate in writing, the principal sum of Five Million Five Hundred and Fifty Thousand Three Hundred and Sixty and 55/100 Dollars (\$5,550,360.55), subject to increase and reduction as described in the immediately following paragraph, plus interest at the rate of four and one-half percent (4.5%) per annum.

On January 15, 2020, Maker shall, subject to the potential reinstatement referenced below, be deemed to have made, and commencing on March 15, 2020, and continuing until maturity, by acceleration or otherwise, Maker shall pay to Payee quarterly installments of principal and interest on the dates and in the combined amounts, in advance, as set forth and in accordance with the Amortization Schedule attached hereto as *Exhibit A* and incorporated herein. Accrued interest on this Note shall be added quarterly to the principal balance of this Note on the fifteenth day of each calendar quarter and shall thereafter accrue interest as provided herein (such amounts added to the principal balance, “**Interest Paid In Kind**”) as set forth on *Exhibit A*, and in addition to the extent any interest is not paid when due. The entire amount due hereunder, including all unpaid principal and accrued interest, shall be due and payable in full on December 15, 2024 (it being understood that if the principal payments set forth on *Exhibit A* due prior to December 15, 2024 are made in accordance with the terms of this Note then the principal balance due on December 15, 2024 would be Three Million Six Hundred and Sixty Thousand Six Hundred and Thirty Four and Five Cents (\$3,660,634.05). This amount includes a reduction in the amount of One Million Two Hundred Thousand Dollars (\$1,200,000.00) provided as a credit in Payment No. 1, which is offered as a condition of compliance with the terms and conditions contained herein, including timely payment of all principal and interest due hereunder in accordance with the three immediately preceding sentences and no other default or event of default has occurred (whether or not cured or waived). Should Maker fail to meet these conditions, then the full value of the Note shall be immediately reinstated in the amount of Five Million Five Hundred and Fifty Thousand Three Hundred and Sixty and 55/100 Dollars (\$5,550,360.55), less any principal amounts paid in satisfaction hereof plus any Interest Paid In Kind.

Interest hereon shall be calculated on the basis of a 360-day year applied to the actual number of days elapsed. All payments of principal and interest hereon shall be payable at par in lawful currency of the United States in immediately available funds. Except as otherwise

described herein, all amounts received for payment of this Note shall be first applied to any expenses due Payee under this Note and then to accrued interest, and finally to the reduction of principal. Payee shall designate in writing from time to time to Maker an account of Payee into which such amounts are to be paid.

The principal amount of this Cognovit Promissory Note represents an aggregate of amounts of existing indebtedness that the Maker freely admits are due and owing to Payee, and/or its subsidiaries, affiliates and related entities pursuant to and in satisfaction of the Maker's obligations under that certain Guarantee Agreement, dated as of October 20, 2015, among Starboard International Holdings B.V., as Guarantor ("**Starboard**"), Maker, as Guarantor, and Wendy's Netherlands B.V., as Beneficiary, as amended by the first amendment thereto dated August 2, 2017 and the second amendment thereto dated January 19, 2018 (such Guarantee Agreement, as so amended being the "**Guarantee**") attached hereto as Exhibit B and made a part hereof pursuant to which Maker guaranteed the obligations of WBR Franquais Participacoes LTDA, as borrower ("**Borrower**") under (x) the Credit Agreement, dated as of October 20, 2015 ("**2015 Credit Agreement**"), among Payee and Borrower and (y) the Credit Agreement, dated as of August 2, 2017 (together with the 2015 Credit Agreement being the "**Credit Agreements**")), among Payee and Borrower. The principal amount hereunder represents the amount agreed upon between Maker and Payee to be payable by Maker to discharge the obligations under the Guarantee with respect to the Credit Agreements. Such amount or any payment hereunder shall not in any way reduce or constitute a forgiveness of any amount owed by Borrower to Payee under the Credit Agreements. In consideration of the foregoing, notwithstanding the date of this Note, interest hereunder shall be deemed to accrue as of January 15, 2020.

In the event that any payment of principal and/or interest is not actually received by the Payee on or prior to the respective due date as set forth in the Amortization Schedules attached as *Exhibit A* hereto, the Maker agrees to pay Payee a late charge equal to the greater of twelve percent (12%) per annum on such delinquent amount until paid, or such amount as is permitted by law.

Payments due hereunder shall be paid by pre-authorized wire transfer, electronic transfer via automated clearing houses, similar commonly-accepted methods of funds transfer or such other method as Payee may designate in writing from time to time. Maker shall undertake all actions necessary and shall deliver to Payee all necessary information (including financial institution of origin and relevant account numbers) pertaining to such pre-authorized transfers.

Prepayment of the principal of this Note shall be permitted without premium or penalty of any kind, so long as prepayments are made in alignment with the Amortization Schedule attached at Exhibit A, on the same dates as other payments required within that schedule. Prepayments, if any, shall be made in the minimum amount of One Hundred Thousand Dollars (\$100,000.00) and any prepayment made in an amount over the minimum amount shall be made in increments of Fifty Thousand Dollars (\$50,000.00) thereafter (e.g.: \$150,000.00, \$200,000.00, \$250,000.00, etc.).

This Note may not be changed orally, but only by an agreement in writing signed by the parties against whom enforcement of any waiver, change, modification or discharge is sought.
